THE CHAIRMAN
HAS BEEN SILENT
FOR A WEEK.

WE HAVE
A LEADERSHIP
VACUUM.

ONE THAT
NEEDS TO BE
FILLED.

ASTRA,
WYRE...
...IT IS
TIME TO MOVE
FORWARD.

BORN WITH INCREDIBLE SUPERHUMAN ABILITIES, MUTANTS HAVE LONG BEEN PERSECUTED FOR THEIR DIFFERENCES. THE MUTANT HEROES KNOWN AS THE X-MEN WERE TRAINED BY PROFESSOR CHARLES XAVIER TO USE THEIR POWERS TO PROTECT THE WORLD THAT HATES AND FEARS THEM AND TO BRIDGE THE GROWING DIVIDE BETWEEN HUMANITY AND MUTANTKIND.

X-MEN

X years in the future, **Doug Ramsey**, A.K.A. **Revelation**--the successor to **Apocalypse**--tries to remake the world in his image. Seeking to end Revelation's reign of terror before it begins, the **X-Men** transfer the consciousnesses of **Cyclops** and **Beast** into their past selves to stop pivotal events from occurring. Cyclops from the future inhabits the body of his younger self, but Beast doesn't seem to have made the same swap, and his future self is M.I.A.

Meanwhile, the X-Men have been dealing with a mutant group called **3K**, which aims to transform non-powered humans into mutants. Led by a shadowy council comprised of **Cassandra Nova**, **Astra**, **Joseph**, **Wyre**, and the **Chairman**, their attempts have yielded some success--enough to form their own team of "X-Men"--but they'll stop at nothing to achieve perfection...

IT'S BEEN *DAYS* WITH NOTHING FROM THE CHAIRMAN.

CASSANDRA NOVA IS GOING TO MAKE A MOVE, JOSEPH.

SHE WOULDN'T DARE.

OH, SHE MOST CERTAINLY *WILL* DARE.

MY GENE-FATHER IS A *BROKEN-DOWN WRECK*. AS FAR AS ANYONE IS CONCERNED, I AM *MAGNETO*. THE *GREATEST* OF ALL MUTANTS.

I AGREE.

BUT NOVA IS AN *INSANE PERSON*. I'M NOT GOING TO LET HER TAKE CONTROL OF 3K.

SO WE'RE GOING TO HAVE TO *REMIND* HER WHO *EXACTLY* THE *GREATEST* OF ALL MUTANTS IS, BABY.

WHEN I GIVE THE *WORD*, JOSEPH...

...YOU'LL DESTROY HER.

YES, MOTHER.

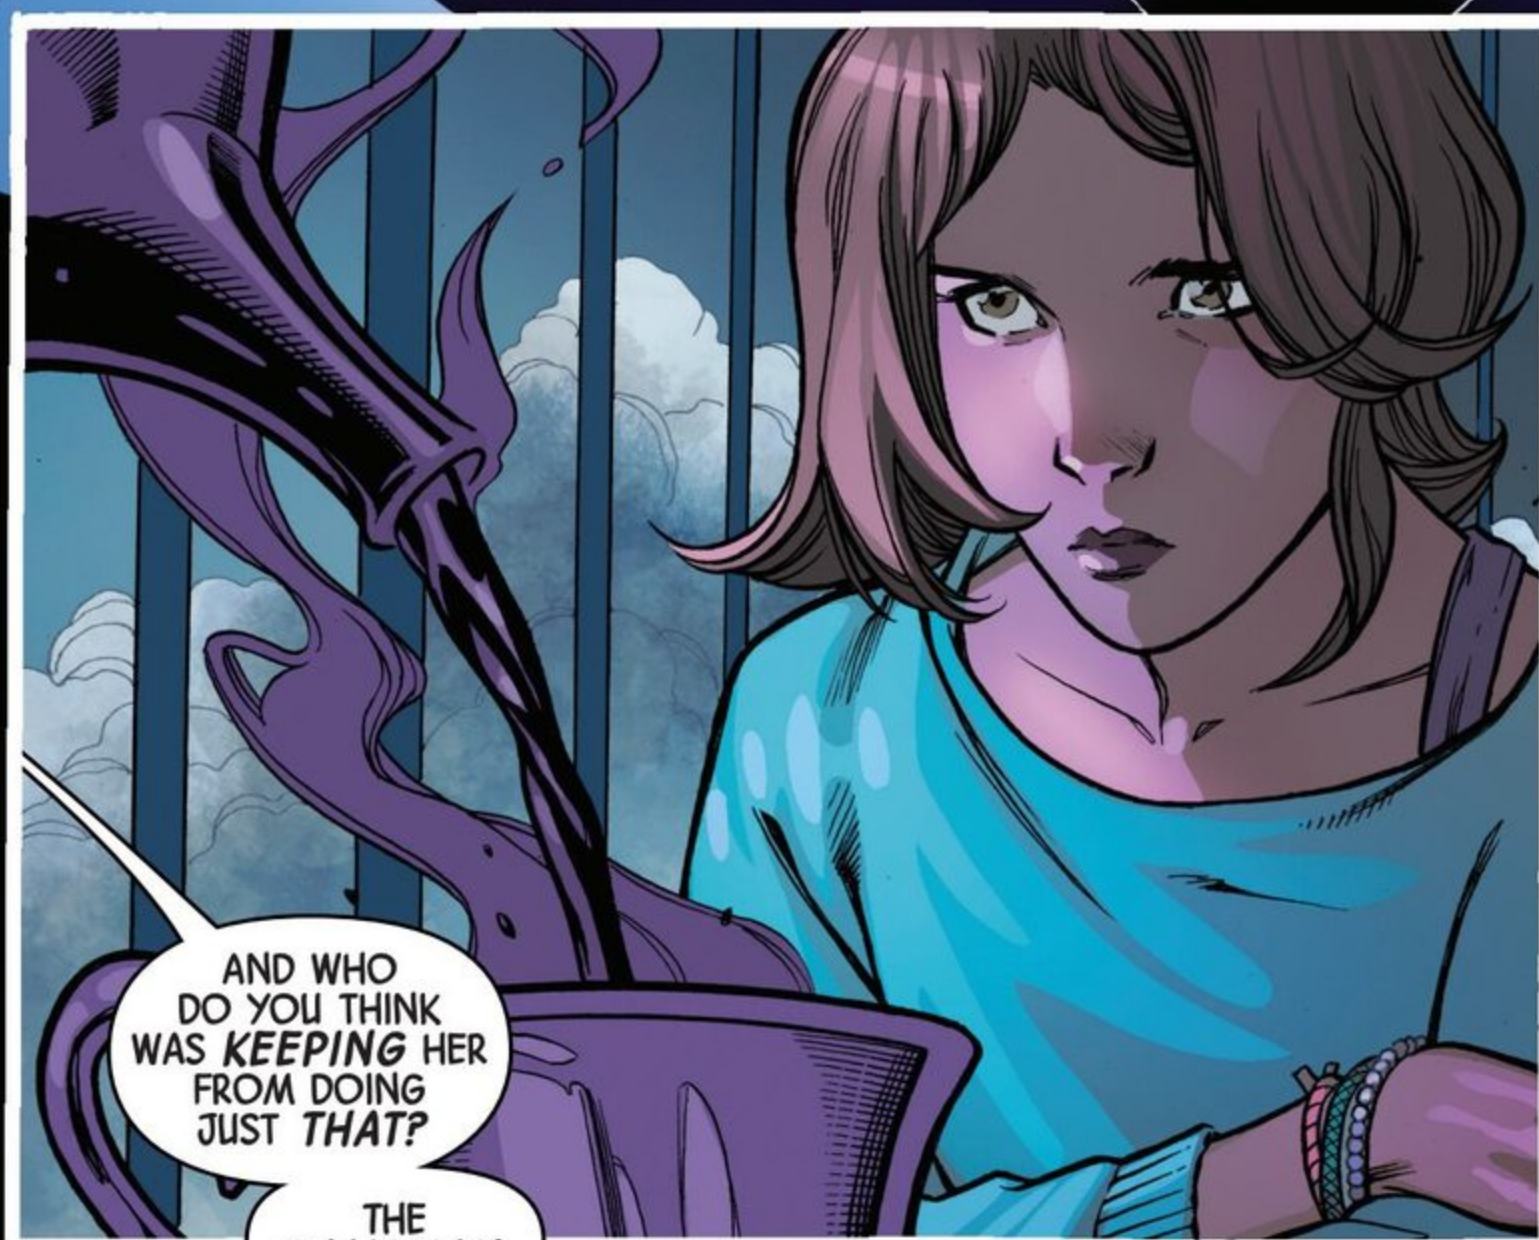

BUT PLEASE...

"...CALL ME
MAGNETO."

IT'S **ASTRA**
WHO'S GOING TO
BE THE PROBLEM,
MYRIAD.

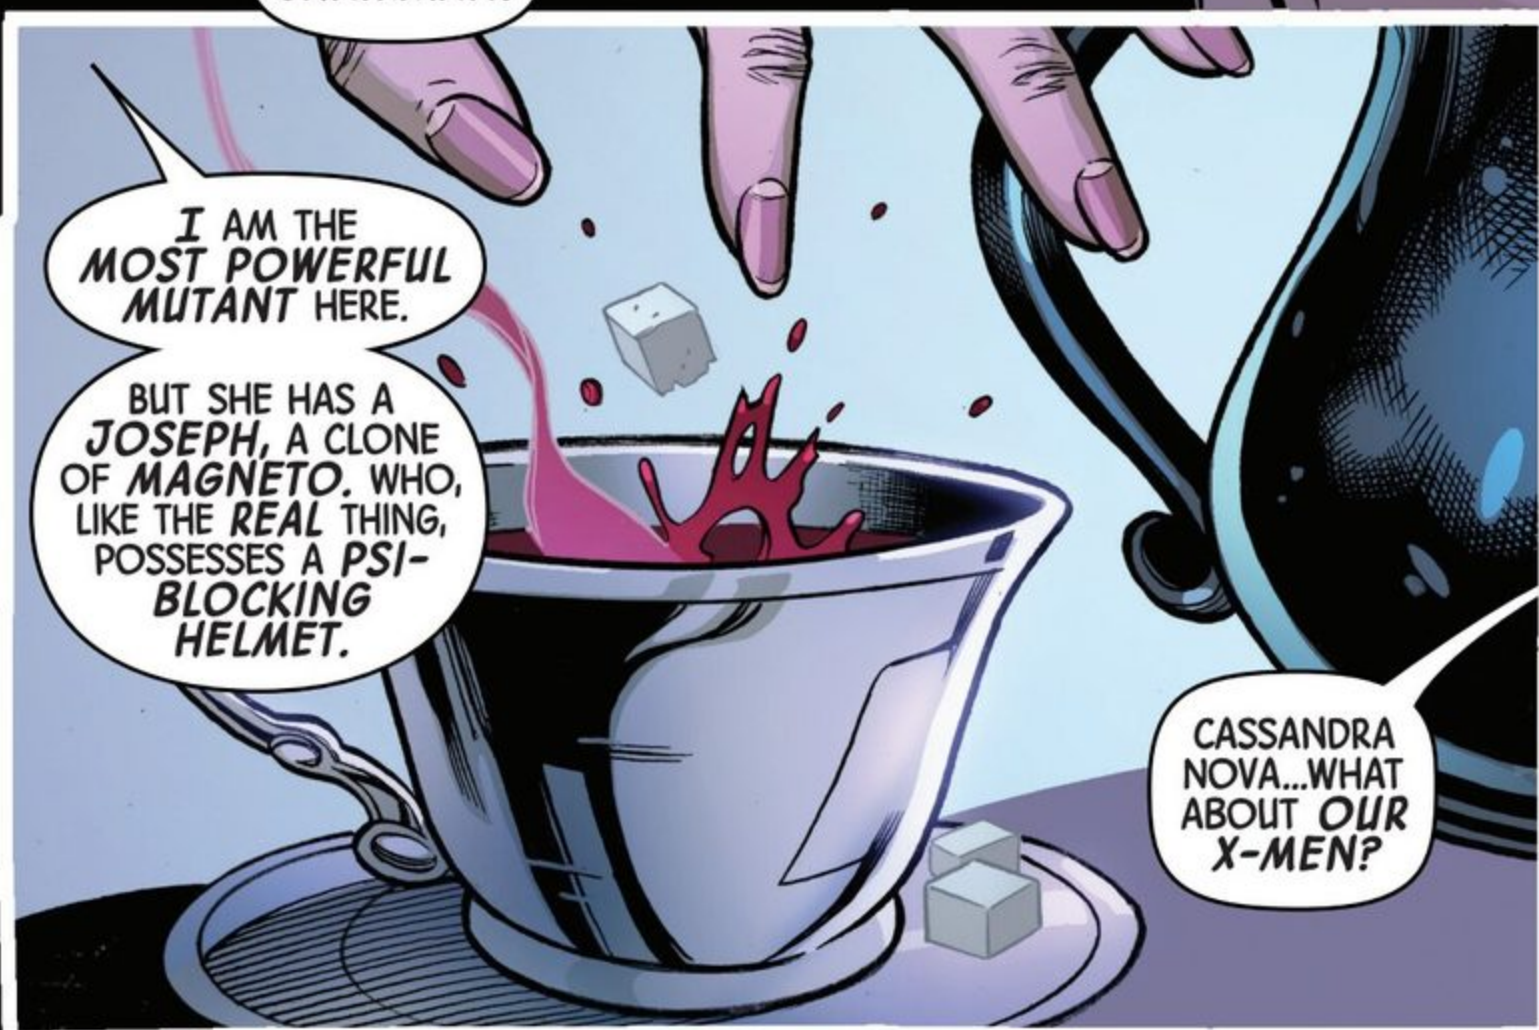

REALLY?

ALL SHE DOES IS
COMPLAIN ABOUT
NOT BEING ALLOWED
TO MAKE MORE
CLONES.

AND WHO
DO YOU THINK
WAS **KEEPING** HER
FROM DOING
JUST **THAT**?

THE
CHAIRMAN.

I AM THE
MOST POWERFUL
MUTANT HERE.

BUT SHE HAS A
JOSEPH, A CLONE
OF **MAGNETO**. WHO,
LIKE THE **REAL** THING,
POSSESSES A **PSI-**
BLOCKING
HELMET.

CASSANDRA
NOVA...WHAT
ABOUT **OUR**
X-MEN?

AH.
ANOTHER
PROBLEM,
THAT.

WITHOUT
THE **CHAIRMAN**,
THEIR LOYALTIES WILL
REVERT TO THEIR
TRAINER.

"THEY'RE **WYRE'S**
CREATURES."

WE GAVE
YOU **POWER**,
X-MEN.

MADE YOU
MUTANTS.

BUT THIS,
HERE, IS **REAL**
POWER.

NOVA'S **ZEAL**
IS ABOUT TO RUN
SMACK INTO ASTRA'S
STUBBORNNESS.

AND IT'S A
TOSS-UP WHETHER
JOSEPH CAN KILL NOVA
BEFORE NOVA
KILLS HIM.

YOU CAN
DECIDE THIS
CONTEST...

...IF
YOU **WANT**
TO.

"BUT LET ME
TELL YOU WHAT
I WOULD DO."

NOW.

I WILL BE
ASSUMING THE ROLE OF
CHAIRWOMAN.

I DON'T
THINK SO.

WYRE?

CARE
TO **WEIGH**
IN?

I'VE GOT
NO INTEREST IN
LEADING.

I WANT WHAT
I'VE ALWAYS WANTED:
A MORE INTERESTING
FUTURE.

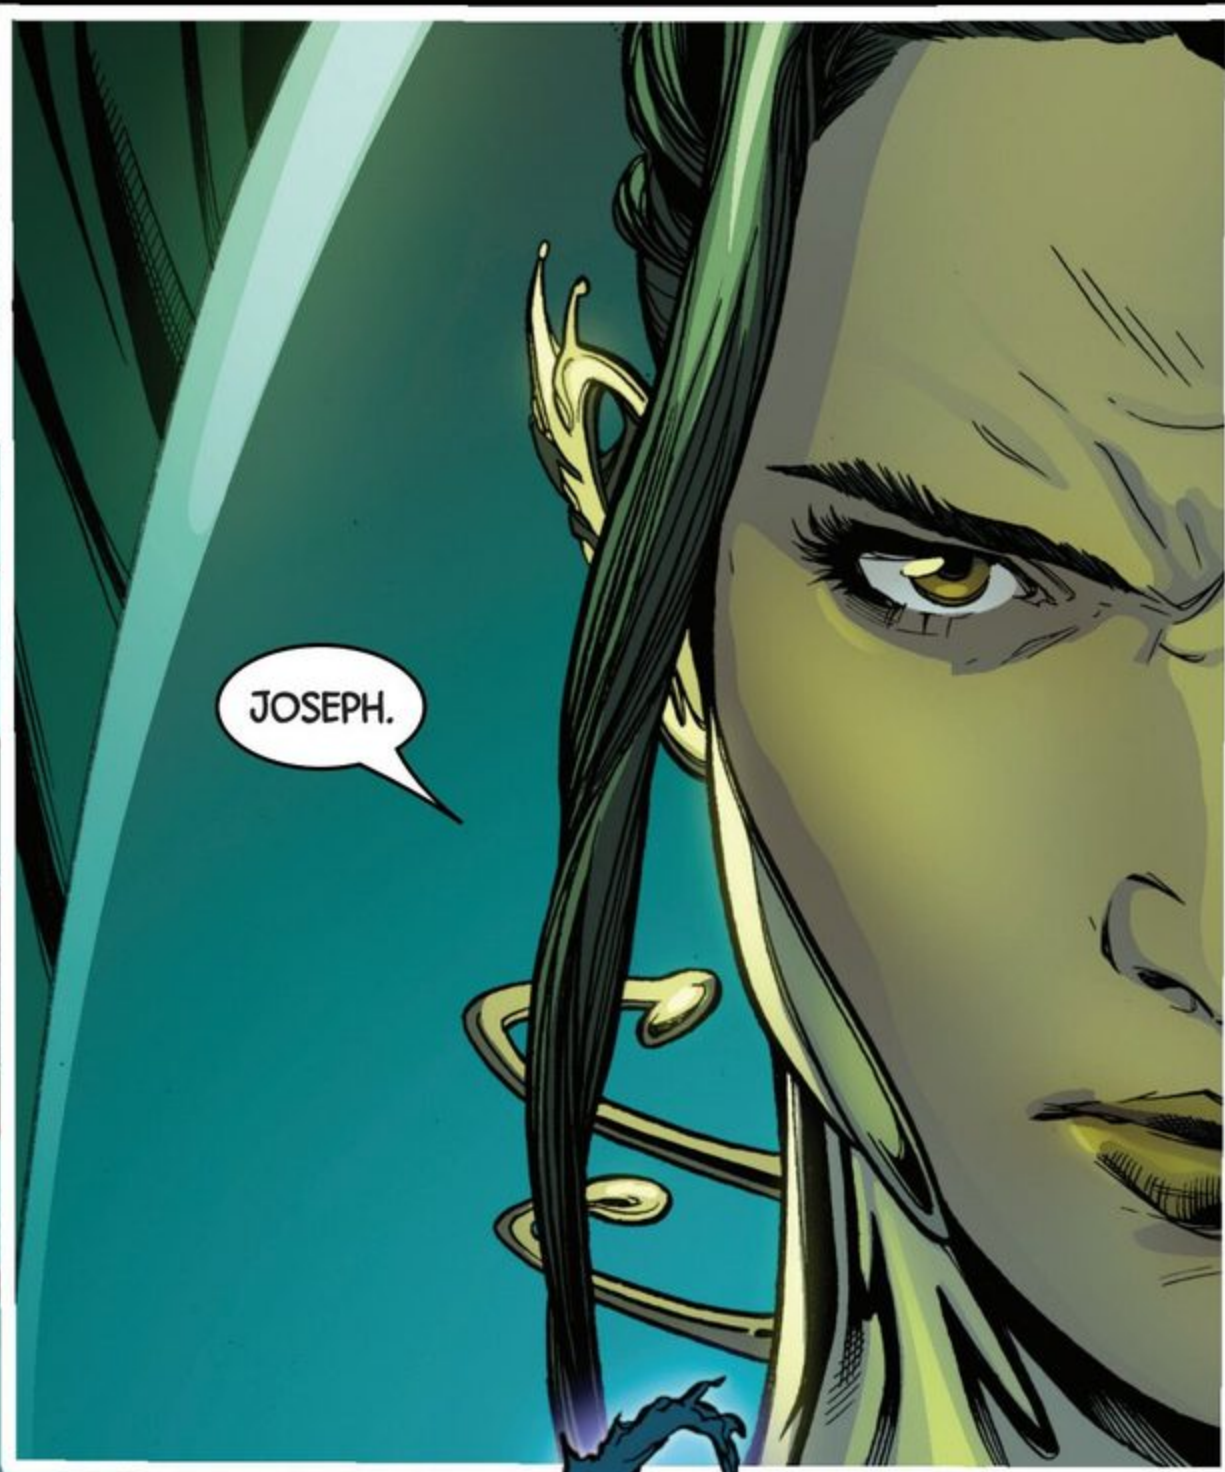

AND THE
X-MEN?

I PRESUME
YOU SPEAK FOR
THEM.

THEY
TALKED IT
OVER.

AND THEY
AGREED WITH
ME.

WE WANT TO
SEE WHO WANTS
IT **MORE.**

JOSEPH.

STOP.

I TOLD
YOU TO CALL ME
MAGNETO.

IF YOU COULD
RETURN TO YOUR
PLACES?

AS YOUR
CHAIRMAN...

...I AM
CALLING THIS
MEETING OF THE
GREAT TABLE
OF 3K TO
ORDER.

CHAIRMAN.

YOU'VE
CHANGED.

WHERE'VE
YOU *BEEN*?

THE
FUTURE,
WYRE.

I HAVE
BEEN TO THE
FUTURE, AND I
HAVE BROUGHT WITH
ME THE MEANS TO
MAKE THAT FUTURE
OURS.

AND DOESN'T
THAT SOUND
MUCH NICER
THAN ALL THIS
FIGHTING?

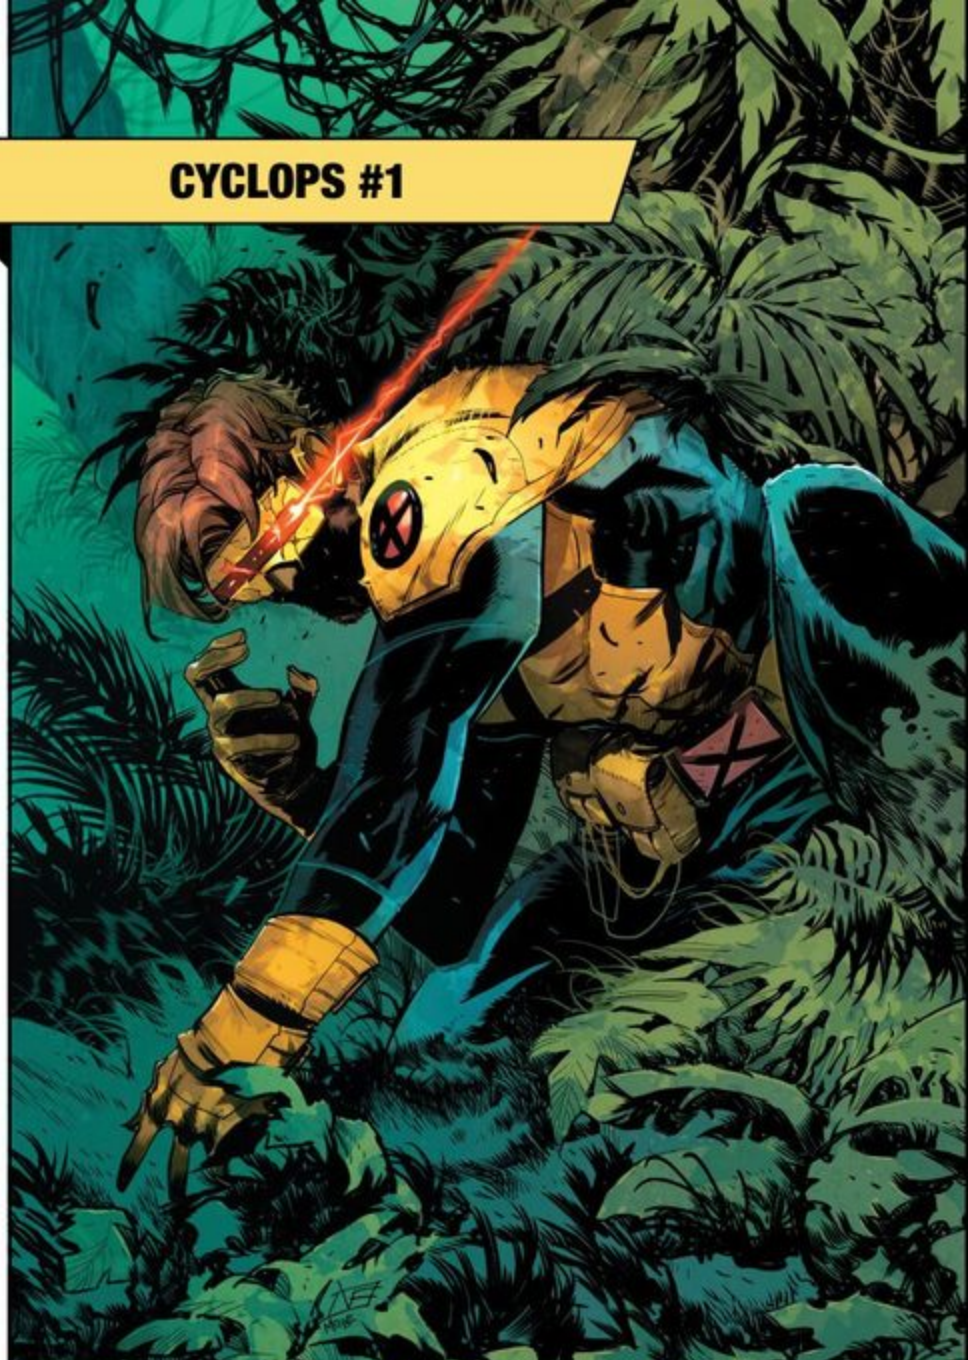

X-MENTIONS

LOOK, YOU TWO CLOWNS...BE MORE CAREFUL NEXT TIME!
THAT KIND OF HORSEPLAY ISN'T FUNNY!

- **CYCLOPS #1** – The one-eyed X-Man is unleashed! Scott Summers is a mutant who is always in near-total control of his powers and his emotions. But what happens when he's separated from the X-Men, lost in a mountain wilderness without the visor that keeps his devastating powers in check? And will he be able to stay alive when Donald Pierce and his cyborgs, the Reavers, are hunting him? Writer **Alex Paknadel** and artist **Rogê Antônio** bring you a tale of the X-Men's leader at his most savage core next month!
- The Merc With a Mouth is back—and he's not joking around in **WADE WILSON: DEADPOOL #1**! Witness Deadpool at his most deadly, most dangerous and most unhinged as **Benjamin Percy** and **Geoff Shaw** put Wade through the wringer. When some insider intel makes it Deadpool's way, is there anything better than saving the day...for cold hard cash? The only thing darker than the humor is the depths of Wade's dire situation, and you do not want to miss the start of this defining Deadpool saga!
- Wolverine has outrun her life as the Facility's weapon... but the legacy of her time as the assassin X-23 lives on! While chasing down a mutant in trouble, the Kinney sisters will encounter a secret like they never could have imagined. **Jody Houser** and **Jacopo Camagni** introduce the all-new next generation of mutants in **GENERATION X-23 #1**! With a plethora of jaw-dropping powers, what design does this new squad have on Laura and Gabby?
- **MAGIK & COLOSSUS #1** – Illyana Rasputin is a cynical sorceress with power harnessed from the dark realm of Limbo. Piotr Rasputin is made of metal, but with a heart much softer than his exterior. But despite being family, blood does not run thicker than water! When they return to their mother country, they discover ancient monsters from Russian folklore preying on the innocent! Can these two mutant siblings set aside their differences to save their country? The talented creative team of **MAGIK**, **Ashley Allen** and **Germán Peralta**, reunite for an X-Men story full of epic fights, mysticism and family drama!

PRO FILE

D.A.R.R.E.N.

Name: **DARREN SHAN**

Editor on: **CYCLOPS, PSYLOCKE: NINJA, MAGIK & COLOSSUS** and other books that haven't been announced yet!

My place of birth is: **Maryland**

The reason I got into comics was: My older brother, Tim, collected comics and passed them on to me. That in combination with the sweet spot of '90s comic book animation (*X-Men*, *Spider-Man*, *Batman*), the super-hero genre had its hooks in me for life.

The single work that I am most proud of is: It's hard to pick just one because I'm proud of so many things here at Marvel, so I'll pick an early one: **SILVER SURFER: BLACK** by Donny Cates and Tradd Moore.

My greatest accomplishment outside the comics field is: *Uh...there's more to life outside of comics?*

If they were making a movie of my life, I'd like to be played by: **Awkwafina**. She's versatile enough to play a man!

The last good book I read was: *Yellowface* by R.F. Kuang.

The last good movie I saw was: *Past Lives*. Do you like to have a good cry?

The last good television show I saw was: *The Bear*. I'm sorry, but season 4 was good!!!

My greatest unfulfilled ambition in the comics field is: **Just one thing again? I got too many to list...**

The worst part of my job is: **Working on a final issue. I never want it to end!**

The one thing I really want the world to know about me is: **Why do these questions keep asking me for ONE thing? I contain multitudes!!!**

MY **FUTURE** SELF, THE DR. HENRY MCCOY OF **TEN YEARS FROM NOW**, SWAPPED HIS CONSCIOUSNESS WITH **MINE**. I FOUND MYSELF IN THE **FUTURE**, WHILE HE WAS IN **THIS** TIME.

HOWEVER, THERE WAS A **MISTAKE** MADE.

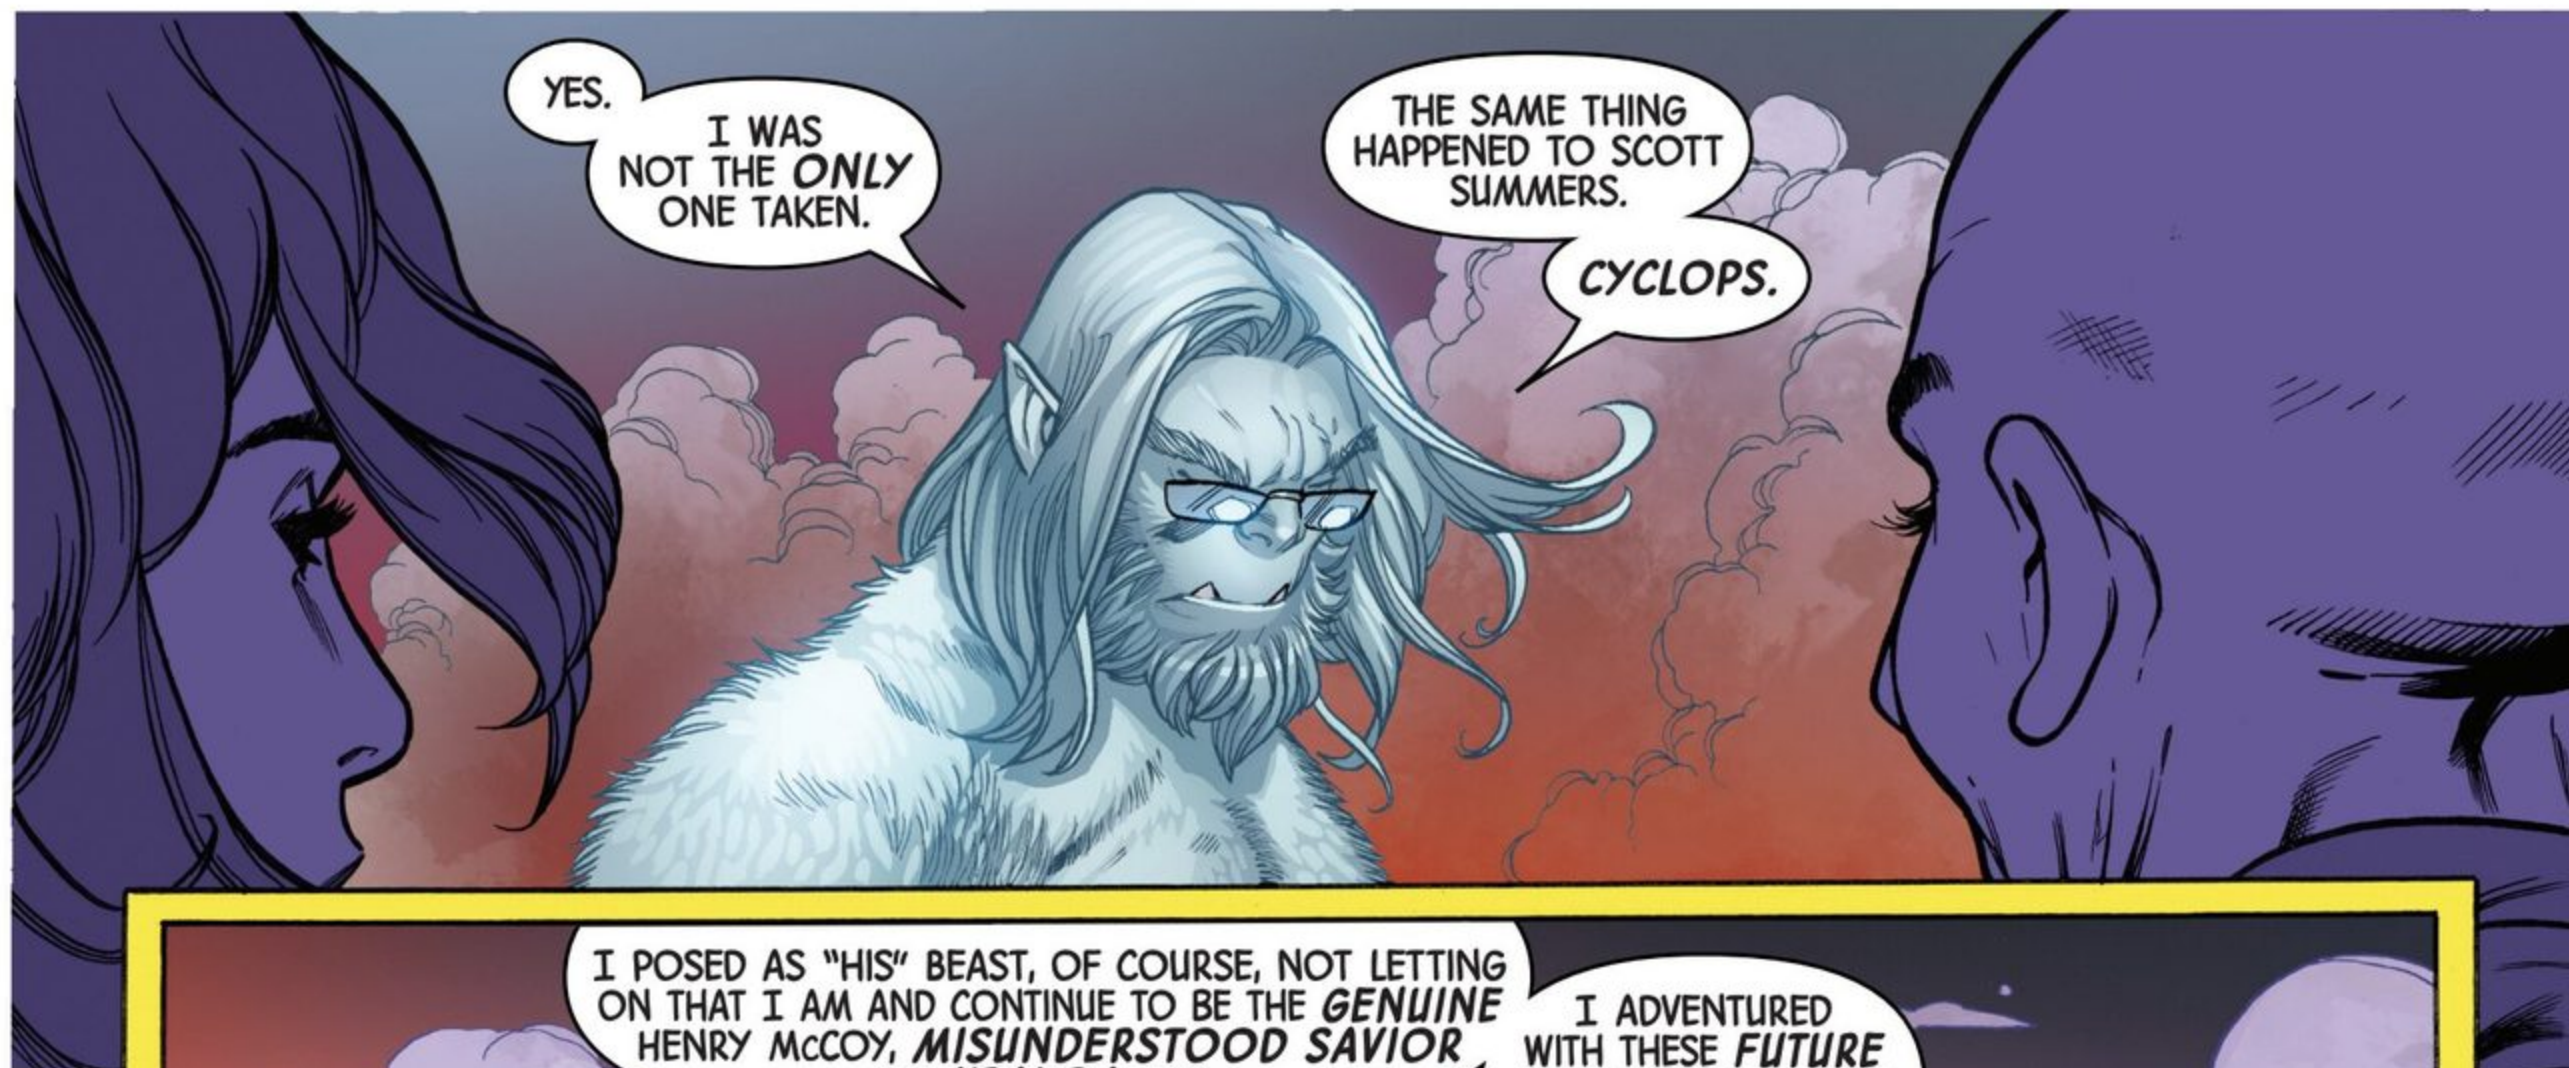

HE WAS **NOT** MY FUTURE SELF, BUT RATHER THAT OF MY COUNTERPART, THE **BEAST** WHO CURRENTLY SERVES ON THE X-MEN IN ALASKA.

SENSING A **DISRUPTION** IN THE **CONTINUITY** OF MY **CONSCIOUSNESS**, MY **SYNTHETIC BODY** WENT INTO **LOCKDOWN MODE** UNTIL I RETURNED.

WHICH IS THE **REASON** FOR MY **ABSENCE**.

AND YOU HAVE **PROOF**?

YES.
I WAS
NOT THE **ONLY**

THE SAME THING

X-MAIL

Hello X-Office,

I just wanted to say how much I'm really enjoying this book. When the From the Ashes era first started, I thought I'd like UNCANNY better because Wolverine is my guy. But X-MEN quickly turned into my favorite book, and I look forward to reading it each month (I'm still a fan of UNCANNY though). As much as I love Krakoa, I think the X-Men work better in the real world. I'm really happy to see Quentin and Glob in this book-- I think they are very interesting and funny characters, especially when paired together. I also really like Jen and Ben, and I hope to see more of them in the future. I was really surprised at the little romance going on between Jen and Hank, but I'm not opposed to it--I think they are cute. I also can't wait for what happens next in the Age of Revelation.

I might have missed this, but when/how did Quentin come back to life? I feel like he just popped back up with no explanation, but I might have just missed it.

Skyler

Glad to hear that you've been enjoying both X-MEN and UNCANNY, Skyler! As for Quentin, he was one of the thousands of mutants who were resurrected before Krakoa took off for the White Hot Room in X-MEN (2021) #35.

Hi! My name is Eamonn. I am 13 years old, and I started reading X-MEN with my dad's old comics from the 1980s and have always loved them. But I also wondered, "where are my heroes now?" So recently, I got a subscription to

UNCANNY X-MEN and X-MEN, and I have been loving them both. I wrote you today to compliment the comics that you are making, but also to ask a couple of questions.

1. I read somewhere that the new Beast's memories go up to around when he started to turn evil--is that true?
2. Will we be seeing any more of the Hellions? (Fantomex especially.)
3. Does the X-MEN comic have a set end date? (Please say no!)

Eamonn Fraser

Always happy to answer some questions from a subscriber, Eamonn! So let's see here:

- **That is correct. The present-day Beast was resurrected from an older backup, so Hank has been trying to get caught up with what's happened since. And as you learned this month, the bad Beast is still around as well!**
- **Hopefully so. I'd like to do a series with them at some point if things work out.**
- **The only end date is when people stop reading it, so there's no end in sight fortunately!**

Dear X-Mail,

I've been reading these guys' adventures since 1982. After reading twenty issues of this run, this book is still my favorite title each month. Nice job!

The book looks great, but it feels better. Have you done something different with the paper/printing?

Jim Schlievert
Whitehouse, Ohio

Not that I'm aware of, Jim! What you're detecting must be the love we bake into every single release!

Hi,

I'm really enjoying the new post-Krakoa Era, but your reply to someone asking about the current status of a formerly dead mutant in X-MEN #20--basically that thousands of mutants were resurrected--got me thinking of the thing that's been niggling at me for several years now: During the Krakoa Era, it seems like pretty much everyone came back from the dead, from Thunderbird right down to Harry Leland. Everyone, that is, except three mutants who were actually pretty high profile in the eighties but seem to have been totally forgotten for the last thirty years! Thunderbird is alive. Unus the Untouchable is alive (if rarely seen). Even Mastermind is alive. So where are Crimson Commando, Super Sabre and Stonewall?! Justice for Freedom Force!

Tony Ingram
Suffolk

Funny you should ask, Tony, as you'll be seeing one of them very shortly--though not in the way you might expect! Stay tuned!

Next time: There's a new Sheriff in town at the head of O*N*E, and they've got a bone to pick with the X-Men! Plus, the return of a nasty villain or two from the past, and Juggernaut gets to flatten a truck! Good times!

Stay weird!
Tom B
11/17/25

NEXT:

SPECIAL ANNIVERSARY ISSUE! Against all odds, Cyclops returns from the Age of Revelation and with a dire warning for all X-Men everywhere. But there's trouble on more than one front--who is the mutant newly put in charge of O*N*E, and what danger does that spell for the X-Men?
